Profile

Front-end web developer with 2+ years of experience building responsive, user-focused websites and applications. Skilled in HTML, CSS, JavaScript, React and WordPress, with a strong commitment to clean design and functionality. Known for translating concepts into interactive, optimized interfaces and continuously learning new trends to enhance project outcomes.

Employment

Jun 2024 — Nov 2024

Canada (Remote)

Web Developer Internship at GAOTek Inc

Did a Web Developer Internship at GAOTek Inc, gaining hands-on experience in web development projects. Assisted in designing and implementing user-friendly web interfaces, enhancing user experience and site functionality. Contributed to the development and maintenance of web applications using HTML, CSS, JavaScript, Php and WordPress. I Engaged in team meetings and brainstorming sessions for project improvements. Developed a strong understanding of web development best practices and industry standards. Demonstrated adaptability and eagerness to learn new technologies and tools in a fast-paced environment.

Sept 2024 — Oct 2024
South Africa

UI/UX Designer at WanderUnion

Collaborated with WanderUnion, a travel platform prototype and user interface design to enhance user experience and align with the client's vision. Developed user-centered designs for the sign-up flow and simplified options for Sign up as a Traveler or Operator. Implemented design adjustments based on client feedback including color consistency to maintain brand identity. Conducted iterative design revisions, presenting high-fidelity wireframes that cater to both travelers and travel operators offering one-day experiences, ensuring ease of use and visual appeal. Communicated effectively with the client to align project goals with design, optimizing the platform's user experience and accessibility.

Jan 2024 — Jan 2024
South Africa (Remote)

Wordpress Developer at Mike Hairstylist

Created a professional landing page for a hairstylist using WordPress, showcasing services and enhancing online presence. Implemented responsive design principles to ensure optimal viewing across devices. Collaborated with the hairstylist to incorporate branding elements and enhance user experience. Provided ongoing maintenance and updates to ensure the website remains current and functional.
